**B2800B/50 CM3**

# Professional single-stage belt driven compressor, suitable for craftsmen and small industries.

A single-stage belt driven compressor designed for heavy-duty use, it features a highly efficient operation pumping unit, cast iron cylinders for long life and a robust belt cover protecting moving parts. The centrally positioned controls ensure easy and convenient operation. The compact 50-liter tank, large wheels and ergonomic handle make the compressor easy to transport.
