SILTEK TB 50 V

Quiet oilless compressor, suitable for demanding hobbyists and professionals.

Compressor equipped with a very quiet, non-lubricated pumping unit, developed and designed to be used wherever you want. Ideal for all applications requiring low noise emissions. Equipped with a space-saving 50 litre vertical tank with wheels and a solid handle with rubber grip for easy transport and storage. The pumping unit and pressure gauges are protected by the steel structure. The rear rubber feet ensure greater stability when working.
