SILTEK TB 24

Quiet oilless compressor, suitable for demanding hobbyists and professionals.

Compressor equipped with a very quiet, non-lubricated pumping unit, developed and designed to be used wherever you want. Ideal for all applications requiring low noise emissions. Large pressure gauges at the front of the 24-litre tank ensure easy reading. The solid full handle and large wheels ensure easy transportation. In addition, the fixed front double foot provides greater stability in use.
