MED 160-24V-FM-1,5M

MedicAir oilless compressor, designed for dentists and laboratories.

Compressor designed for the dental and dentistry sector, as the compressed air produced is oil-free thanks to oil-free compression, condensate-free thanks to the dryer and odourless thanks to the internal treatment of the storage tank. Ideal for 1/2 dental units, it is equipped with a 1.5 hp pumping unit, a single-column dryer and a compact 24-litre tank that is also internally coated to prevent oxidation with a double handle for easier handling.
